Region 2

Counties included in this region: Beaufort, Craven, Hyde, Pamlico Tyrrell, Washington

**Vision Statement:** By 2015, Region 2 will have an aligned, collaborative early childhood professional development system that supports all early care providers, including new and veteran, so that they

- Can support children with special needs and inclusion
- Are confident and motivated
- Stay in the field with enthusiasm
- Feel like professionals
- Have a supportive work environment, including increased pay and benefits
- Can reach out to families
- Have leadership in their directors that “light the spark”

This system will value collaboration, respectful sharing of ideas and opinions, and seek out and include effectively existing resources in the community.
