The T.E.A.C.H. Early Childhood® Project is now offering a scholarship specifically to help certified Early Educators take the coursework needed to meet the renewal requirements for their certification.

T.E.A.C.H. provides early childhood professionals currently working in a licensed child care facility or More-At-Four classroom with money to help cover the cost of tuition, books, release time and travel.

The EEC Scholarship benefits child care programs through better educated teachers with lower turnover rates at a minimal cost to the center.
