

T.E.A.C.H. Early Childhood® NC announces changes to the Early Care & Education Community Specialist Scholarship

*Now with no financial
obligation for coursework
from employer!*

T.E.A.C.H. is continuing to offer scholarship opportunities for Early Care and Education Community Specialists who are wanting to take coursework leading to an Associate or Bachelor Degree in Early Childhood Education! Early Childhood Education degree completion is not required. RETROACTIVE scholarships are available for the 2012 Fall Semester and may be awarded to eligible applicants who are currently enrolled in relevant coursework. These scholarships are competitive and will be awarded to individuals who can clearly demonstrate their commitment to the early care and education field. Eligible positions include:

- Head Start Home Visitors
- Technical Assistant Specialists
- Professional Development Specialists
- Community College Early Childhood Instructors
- Early Intervention Specialists

T.E.A.C.H. can help most non-teaching professionals working on behalf of North Carolina's early care and education system

- increase their education in early childhood focused or relevant coursework
- receive financial support to help offset tuition, book, and other costs
- prepare for Early Educator Certification
