“Much change in public opinion needs to be encouraged to see our field in a professional light. What better way to encourage that change than to learn how to better serve the youngest of our children?” — Tracy Samouce, Johnston County, student in NC-FITC Cohort 1

.....
“This knowledge will help me incorporate practices that will help infants and toddlers grow to their fullest potential” — Dawn Wilson, Wayne County, student in NC-FITC Cohort 1

Now accepting applications for Cohort 2
