

North Carolina Community College Education Courses

The following is a list of current NC Community College education courses and how they are counted for Early Educator Certification. Coursework not listed here or with different titles and numbers will be based on course descriptions. If there is a "yes" in the "Count as 0-5 focus" column, the course will be counted in the assessment of focused coursework on the Early Care and Education Professional Scale. If there is a "yes" in the "Count as 5-12 focus" column, the course will be counted in the assessment of focused coursework on the School Age Professional Scale. Please contact the EEC office at 919-942-7442 with any questions.
