Join us as we learn about strategies both nationally and in NC to address Equity Issues in Early Childhood Education.

Dr. LaWanda Wesley will share specific strategies and information about the equity initiative work she led in Oakland, CA. In addition, we will hear from state leaders, Ariel Ford and Jenna Nelson, regarding equity initiatives here in NC, along with responses from NC Child Care providers Norma Honeycutt and Anna Mercer-McLean.

Registration Information

The webinar cost for teachers, directors, family childcare providers & students is \$10. For all others, the cost is \$20.
